LOGAN IS WILLING TO MEET U. OF U.

Campbell Confident That His Team Can Defeat Varsity Eleven.

Whether Coach Campbell of the Agricultural college is serious or not in his request for another game will have little effect on the authorities in charge of athletics at the University of Utah. So confident is Coach Campbell that his team can defeat the University squad that he declares Logan is willing to meet the University on his own terms. In his criticism of the officials Coach Campbell is unmerciful. "There are not words in the English language to express the way in which the officials acted," he says.

Logan's First Penalty.

Logan's first penalty came right at the start of the game for a flagrant off-side play. But second penalty was for off-side and rough playing. Just as Center Varley was about to snap the ball, Edbert and Man grabbed him by the headgear. As Varley held onto the ball and the other players stood still, the illegitimate play of these men looked up so prominently that the officials were forced to exact a penalty. What the other unfair actions of the officials were, Coach Campbell will so vigorously protest it is hard to understand, unless it was that the officials allowed Frew to remain on the field after his atrocious slugging.

Hopes to Win.

With the State championship tied securely to her belt, the University is now buckling down to hard work in the hope of winning the last game of the season. On Thanksgiving the University and the Agricultural College of Colorado will clash on Comanche field. It is two years since these two teams last locked horns, and then victory went to the Coloradoans. This year both teams appear to be evenly matched. If anything, the previous records of the two teams indicates a Colorado victory by a two-point margin.

Will Be Same Line-Up.

In the Thanksgiving game the University will line up practically as it did against Logan. Pitt will remain at quarter, Maddock continues to lead the line for the place and will keep an eye on his work for the next few nights. In the Logan game the only fault to be found with Pitt's work was that he had put in a couple of bad fumbles. His interference, however, was good. He passed the ball well and mixed his plays so as to keep the Loganites guessing. In praise of his work in the backfield too much cannot be said. His two brilliant tackles, which prevented touchdowns in each case, mark him a reliable defender of the goal-posts and a hard man to elude in a hard game.

Barton Has Lame Back.

Barton will not be in the Thanksgiving game. The big guard had hoped to be in shape, but his lame shoulder is still giving him some trouble and he has at last given up the idea of making in the fray. At the present time it is not his injury so much as the fact that he is not in good physical condition, having been out of training for a month, that keeps him from remaining on the team. Barton, the big freshman who played so consistently at Logan, will fill his place. Harris will remain at end. With these exceptions, the make-up of the team will be the same as in the earlier games of the season.

With the Bowlers.

The first games in the individual tournament at the Crown alleys was called last night. The following were the scores: Kirkwood 191, 192, 193, 194, 195, 196, 197, 198, 199, 200. Totals 191-200. 191-200. 191-200. 191-200. 191-200. 191-200. 191-200. 191-200. 191-200. 191-200.

CLEAR THE MYSTERY

Man Held at Blackfoot for Supposed Murder.

HELENA, Mont., Nov. 27.—A Swede by the name of Holts is being detained at Blackfoot, Ida., on the charge of killing another Swede by the name of Erickson, with whom he was traveling, but as the missing man is here in the County jail the accused will probably be released. The Sheriff today received a reply from the County Attorney at Blackfoot asking about Erickson. The Sheriff notified him that Erickson is here in a poor mental condition. This probably clears up the mystery.

HIGH SCHOOL ELEVEN TO PLAY IN BUTTE

Will Line Up Against Copper City Team on Thanksgiving Day.

This evening at 11:15 the fourteen football representatives of the High school will start for Butte, Mont., where they will, on Thanksgiving day, line up against the team of the Butte High school in the first game of the season. Mr. Callahan, the football supremacy in the intermountain country. The study periods which usually end at 2:30 will come to a close, expressed himself as all of the thousand students will gather in the large assembly room of the main building and give the team a farewell.

Will Listen to Speeches.

A number of the players will be given a chance to tell how they are going to put Butte in the mud and several speakers from outside the school will express their views on the big battle. Some of the High school faculty will also be heard.

Will Be Given a Flag.

One of the features outside of football will be the presentation by the High school athletic girls of a large silk red and black flag. In the evening when the team goes to the Oregon Short Line depot it will be accompanied by a crowd of students.

Boys in Good Condition.

The boys wound up their series of hard practice yesterday afternoon and all are reported to be in the most perfect football condition possible. Mr. Callahan after following them up for over two hours yesterday, directing them in the details of their playing and pointing out errors, expressed himself as being confident that there is nothing of their size that can whip them. The hurry-up habit is what Salt Lake will use from the beginning of the game and Mr. Callahan expects this to hurt Dallas at anything the Butteites can bring forth.

Here Is the Line-Up.

The following are the players who will go to Butte and the position they will play: Judson, fullback; Richardson, right halfback; G. Hyde, left halfback; Rouse, quarter-back; Morris, center; P. Hyde, right guard; Critchlow, right tackle; Dunn, right end; Roberts, left guard; Paul, left tackle; Harris, left end; Settle and Young, substitutes.
